Pick of the herd BULL CALVES

As in past year's we offer this purchasing opportunity with great anticipation and excitement.

Red Lazy MC Trooper 21Y was the \$20,000 selection for Lakeview Ag & Cattle, Idaho in the 2011 sale. He went on to be the most decorated bull calf in the 2011-2012 show season, and was 2014 US National Grand Champion Bull, Fort Worth, Texas. His semen commands over \$200 a straw, and his progeny are featured in this year's event!

Red Lazy MC Sergeant 97Z was the high selling \$22,000 pick to Strawberry Ridge Reds, Montana, in 2012. 97Z was a member of our class winning pen of bulls at the Medicine Hat Pen Show and has been a strong breeding sire for the Frazier and Newberry families.

Red Lazy MC Spyder 149A was the \$20,000 pick for Semex Beef in the 2013 sale. He was the undefeated Junior Bull Calf Champion in 2013, and was a class winner at the 2014 US National Show in Fort Worth, Texas. He has turned into an impressive young sire, and is a moderate framed, great footed, calving ease son of Red Lazy MC Eye Spy 64Y. His service and embryos are features today as well.

These young sires are already leaving their mark, and this year's offering is poised to set the bar even higher!

Our program has focused on a balanced design including calving ease, performance, fleshing ability, maternal strength and phenotype. Our black/red carrier influence offers outcross genetics with many dams out of elite sires including; Red RMJ Redman 1T, Red Lazy MC Cowboy Cut 26U, Red Lazy MC Smash 41N, and Red Lazy MC CC Detour 2W. We feel confident in the direction we are taking and always strive to improve every aspect of the herd, from carcass information to maternal ability.

Selling 1/2 interest and full possession.

Sells open and ready to flush. This 2010 Canadian National Champion Female, has made a large and impressive stamp on the Lazy MC and A1 Land & Cattle breeding program. Her descendants have become one of the most noted cow families in our herd. A wide array of sires have worked exceptionally with this great female, and one of her best daughters sells today! Her daughters recently averaged over \$12,000 in the A1 dispersal. Every one of the bull calves produced, naturally or ET are working in purebred herds! One of her top sons, Soldier 134Z, is a major service sire in the Cowgirls sale offering. She has averaged 14 embryos per flush, and sells open and ready to flush! As an added bonus she sells with three embryos sired by Trooper, Detour, and Legacy!

Opportunities to purchase a highly proven donor of this quality, and outcross genetics is what makes the Cowgirls sale event a must-see!
