# Welcome

On behalf of the Lazy MC and SSS crews we would like to invite you on Saturday, October 29 to attend the "Cow Girls" Sale.

We have an outstanding set of Red Angus cattle for sale. Heifer calves that represent some of the newest exciting

genetics available. Bred heifers from the top of our programs backed by years of foundation cow families, carrying service to breed leading calving ease sires; cows and donors that have earned their way to the top of our herds backed by unequaled production.

At Lazy MC and SSS, our primary focus has been on herd improvement for the commercial cattleman, who produce cattle for the real world. We have achieved this by using all the available technologies within the industry to evaluate the genetic value of our cattle. We are proud to offer these genetics to our fellow seed stock producers.

Presently we are enjoying truly exciting times in the cattle industry. Prices received by ranchers have risen this fall with all the indicators predicting that trend to continue through the next few years. Record low cattle numbers coupled with the increased foreign demand have affected the industry's ability to retain replacement heifers. Owning young genetically advanced cattle will be the best way not only to advance your seed stock program, but to guarantee the ability to capitalize on the positive market trends.

Lazy MC/SSS would like to extend a special invitation to our Junior Angus Breeders. We are offering a 10% discount on any heifer calf purchased from our sale. Details can be found in the back of the catalogue. We are excited to support the Junior Breeder through this program; our juniors are the key to the breeds' future success.

If you have any questions please feel free to give us a call. We would be happy to discuss the sale offering with you. Thank you in advance for your support and interest in our programs.

Regards,  
*The Sibbald & Morasch Families*

RED SSS BOOMER 803B RED LAURON YB ROSA 11G  
RED SSS MISS HIGH LASS 352X RED ALALTA ACRES ROSALINDA 25Y

We are very pleased with the consistency and quality of the Cowboy Cut offspring! The sons in our 2011 bull sale avg'd \$5250, and they also topped the Bar-E-L spring bull sale! His first daughters sold very well last fall for a \$4000 average and his limited semen averaged \$200 per straw! They offer a little more performance with great dispositions and phenotype. He has had a very rewarding show career and the semen sales have been amazing.

RED 5L NORESMAN KING 2291 CROWFOOT KURUBA 4033P  
RED NORSEMAN 1312 PJM RED CROWFOOT KURUBA 2030M

This sire is one of the best ever used at Lazy MC. Never before have we had a sire with calving ease that can make them thick while maintaining outstanding phenotype and carcass merit. 30 sons averaged \$6150 in our past two bull sales. His first daughters raised the exciting Soldier calves offered in this sale! This will be a great chance to purchase a large set of his best females!

Twitch is proving his worth with every calf crop. Besides offering a new twist on pedigree he is siring females with the depth, capacity and phenotype we are looking for. His progeny is averaging WI 101 YI 103 on 30 calves to date. Behind every herd bull there should be an even better mother. 11M is one of the most recognized females at SSS. Her enormous depth of rib is the first thing visitors notice. She is a maternal sister to Big Sky 430K a herd bull at Towaw. Two bred heifers and one heifer calf sell in this sale. Semen available.

Game On has the foundation you can build on. His foot and leg structure rank's with the best in the industry. He is a free moving, athletic sire that is smooth shouldered, long bodied with beautiful neck extension. He has the extra top and hip shape the breed needs. We are very impressed with his first calves - they are born easy and grow. His phenotype is complimented by his balanced EPD's ranking him in the top 25% or better, on 9 of 11 traits monitored by the RAAA.

This impressive young sire is proving himself to be one of the best calving easy bulls in the breed. Stout sold for \$39,000 in the 2011 Denver RA Sale to Chatburn Red Angus, Jeff and Tammy Chatburn from Albion, Idaho. After the sale the semen was marketed for \$100/dose going to some of the industries forward thinking breeders. His service is limited in Canada and his dam is now a feature donor at Blairs in SK. Those who saw her during the field day this past summer were very impressed.
